## Business Deposit Rates

### Business Account Disclosures

1. \* APY (Annual Percentage Yield) is accurate as of October 01, 2023. Your interest rate may change at any time and without notice. Opening deposit amounts must be with new funds and cannot be transferred from an existing CUTX account. Interest is earned on the average monthly collected balance per statement cycle. Interest rates are variable and subject to change. Dividends are paid on a monthly basis. Withdrawal restrictions apply. Fees could reduce earnings. Automatic or pre-authorized, digital/electronic, or telephone-initiated withdrawals are limited to a maximum of six (6) transactions per monthly statement cycle. Deposits, as well as ATM or in-person withdrawals at any of our branch locations are unlimited. For Business Money Market, a \$20 service fee is assessed if the average monthly balance is less than \$5,000. See CUTX Business Accounts Fee Schedule for more information.
2. **Penalties for Early Withdrawal of Principal:** We may impose a penalty if you withdraw any of the principal in your Certificate of Deposit before the maturity date.
  - i. The penalty will equal thirty (30) days of interest in your Certificate of Deposit with a term of less than 12 months, ninety (90) days of interest in your Certificate of Deposit with a term of 12 months, and one hundred eighty (180) days of interest in your Certificate of Deposit with a term greater than 12 months. The penalty will be imposed regardless of whether interest equal to the amount of the penalty has been earned at the time of withdrawal. To the extent that interest in the Certificate of Deposit at the time of withdrawal is insufficient to pay the entire penalty assessed, the penalty will be assessed against principal. If the balance of a Certificate of Deposit is reduced below the disclosed minimum balance, the penalty will be assessed, and the Certificate of Deposit will be closed. Upon automatic renewal, interest paid in the previous term and not withdrawn becomes principal and is subject to early withdrawal penalties.
  - ii. **\*\*No Penalty CD:** You may withdraw all your money including dividend earned, without any penalties, any time after the first six (6) days following the date you funded your account. Otherwise, an early withdrawal penalty will be imposed as described in section (i) above.
3. **Exceptions to Early Withdrawal Penalties:** At our option, we may pay the Certificate of Deposit before maturity without imposing an early withdrawal penalty under the following circumstances:
  - i. When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.
  - ii. Where the Certificate of Deposit is an Individual Retirement Account, and any portion is paid within seven (7) days after the establishment of the plan, or the owner attains age 59 1/2 or becomes disabled.
